

Step-by-Step Instructions

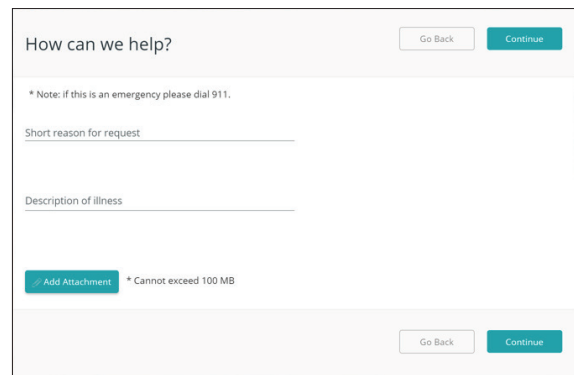

1. Follow the simple steps to create your TeleKind Account:

- **REGISTER YOUR ACCOUNT AND SET UP YOUR PASSWORD AT:** kindclinic.evisit.com/enroll
- **CREATE YOUR PROFILE:** Fill in your personal information and upload your favorite photo of yourself. Make sure to click “Save details.” Note that all of this information is secure.
- **SET-UP YOUR NOTIFICATIONS:** Last, go to the “Preferences” tab to set-up your notification preferences. You can receive updates about the status of your remote visits via text, email, phone, or all three. You can also use this section to update your email or password.

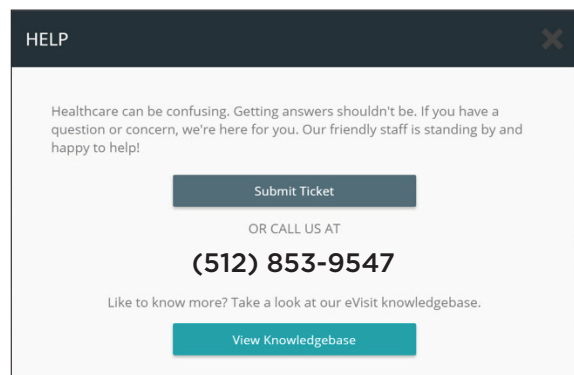

2. How to start your TeleKind visit:

- Go to website: kindclinic.evisit.com
- Login to TeleKind: you can join the visit ≥15 minutes in advance
 - Select provider to start your visit
 - Select reason for visit and complete brief description

- Begin visit with provider
- Schedule your next follow up appointment at Kind Clinic
- If you need help at any time, click “Help” from the drop-down menu under your account profile name (located in the top right corner)

- **MOBILE ACCESS TO TELEKIND:** For quick access on the go, you can also download the eVisit mobile app for iOS or Android to start using TeleKind. You'll be able to connect with your provider from truly anywhere – all you need is your smartphone!
