# Celebrate 10 Years of Kindness with Us

A decade ago, Texas Health Action set out on a mission—to ensure LGBTQIA+ Texans and people impacted by HIV have access to the culturally affirming, high-quality care they deserve. **Thanks to supporters like you, we're marking a major milestone: 10 Years of Kindness, celebrated on Saturday, June 14th at the Fairmont Hotel in Austin, Texas.**

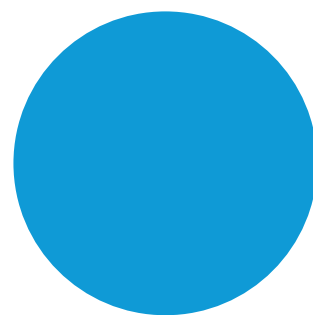

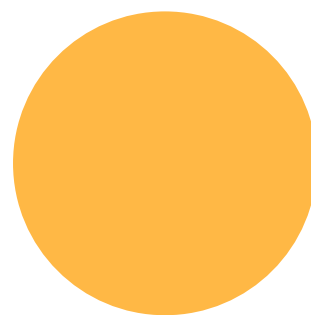

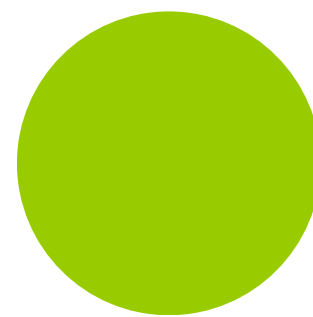

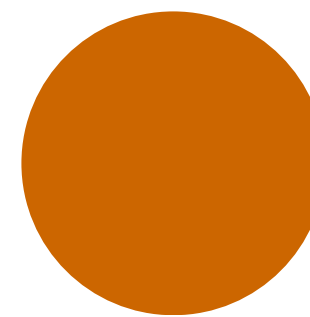

## Join Us for an Unforgettable Evening

This special evening, held during Pride Month, will honor a decade of care, community, and our shared pursuit of health justice. Together, we'll reflect on the impact we've made and the work still ahead—while celebrating the people who make it all possible: our patients, staff, volunteers, and you—**our Kind Partners.**
